There are some 100,000 people in the world who are suffering from the disease of leprosy. It is a terrible disease, and it is a terrible tragedy that it is still with us. It is a disease that is caused by a bacterium, and it is a disease that is curable. It is a disease that is not contagious, and it is a disease that is not fatal. It is a disease that is a disgrace to the human race, and it is a disease that is a shame to the human race. It is a disease that is a curse to the human race, and it is a disease that is a punishment to the human race. It is a disease that is a sin to the human race, and it is a disease that is a stain to the human race. It is a disease that is a blot to the human race, and it is a disease that is a blemish to the human race. It is a disease that is a defect to the human race, and it is a disease that is a disfigurement to the human race. NEW CHURCH TO OUR

LADY OF LOURDES,

LOWER GLAUCHESTER STREET, DUBLIN.

A TEMPORARY edifice has been erected

on the site reserved for the New Church,

which is to be dedicated to the Virgin Mary.

It is already over-erected, and the erection

has caused a deep spirit of devotion in Our Lady

of Lourdes, with most beneficial results to the

people.

The temporary structure must serve until

the funds necessary to build a permanent

church to Our Lady of Lourdes are collected.

The district is the most densely populated and

poor in the city, and therefore a little pecuniary

aid can be expected from it.

The Administrator strongly appeals to the

generosity of the Catholics of Dublin and Ire-

land to assist him in carrying out the good

work.

The Holy Sacrifice of the Mass will be offered

each week for Subscribers.

Subscriptions will be thankfully received

by any of the Clergy or by
