The Committee of the Limerick Lying-in-

from Mr W. A. Delaney and Mr A. Hall, junior—
surplus of a fund raised to defray exp nses of two
public meetings held in connection with the late
mail question (for building fund).
The Treasurer of Barrington's Hospital thank-
fully acknowledges the sum of £10 for the sup-
port of St Michael's Cot in the Hospital.

Speaking in London last night at a dinner in
advocacy of raising a special fund for the Mary-
lebone Almshouse, the Duke of Eife said and
statesman who could establish a system of old
age pensions without unduly burdening the
national finances or destroying all incentive to
thrift, would deserve a far finer monument than
British art had hitherto been able to design.
