Notes for Completion of Non Principal Private Residence Registration Form - NPPR12R

In completing the form, use CAPITAL LETTERS. Write clearly and accurately within the boxes. DO NOT join your writing.

A - PPSN/TRN

- If your country of residence is the Republic of Ireland and you do not have a PPSN/TRN please tick the box to confirm this and please leave PPSN/TRN blank.
- PPSN (also known as RSI number) is unique to each individual and is used to distinguish between individuals with similar names or addresses. The PPSN is usually identified on tax and welfare statements and P60s. If you do not have a PPSN please contact your local Department of Social Protection office. Use of the PPSN is governed by law. The PPSN Code of Practice is available from the Department of Social Protection and on their website (www.welfare.ie).
- TRN - Any company registered in Ireland automatically becomes liable for tax and therefore has a tax reference number.

B - ACCOUNT REFERENCE CODE

- Please enter your Account Reference Code as it appears on the top right hand corner of your receipt for 2009/2010/2011 or 2012

C - OWNER DETAILS

- If you represent a company or organisation please enter the Company Name and contact name for the company.
- Please make sure to enter a correspondence address as when your form is processed a receipt will be posted to this address.
- If the property is jointly owned, liability falls on all co-owners but payment by any one co-owner discharges the liability of all co-owners, please submit details of only ONE owner.

D - PAYMENT DETAILS

- The fees set out below are the charges payable in respect of the years 2009, 2010, 2011, 2012 & 2013. The fee payable in 2009, 2010, 2011, 2012 & 2013 is **€200** per NPPR per year. The Act provides that if a charge is not paid within a month after the last date for payment, a late payment fee will apply for every month or part of month that the €200 charge remains unpaid. For 2009 this means that a late payment fee will apply for each NPPR after October 31st 2009 (Example: if you are paying the 2009 charge on one NPPR in April 2013 the amount due would be €200 + 42 x €20 = €1040). For 2010, 2011, 2012 & 2013, the late payment fee will apply to all payments made after 30th June. The late payment fee is €20 per property per month or part of month.

Late payment fees will continue to accumulate as long as the charge remains unpaid and the amount involved can be very substantial (see table below per NPPR per year).
